

29th January 2024

Dear Family,

Cohort 9 Nuclear Wild Forest Enrichment Experience – Tuesday 5th March 2024

We are excited to share with families that we have arranged a day for C9 to visit Nuclear Wild Forest in Brentwood on Tuesday 5th March.

Nuclear Wild Forest is a unique and fun obstacle course teaching teamwork, motivation, mindset, focus, resilience, self-confidence, determination and friendship. Being outdoors and around nature, completing the course alongside their peers and teachers will be a memorable experience.

Learners will depart by bus from Honywood at 9am arriving at Nuclear Wild Forest for 10am. This course is very muddy and adds another level of challenge for the learners. They should wear old sports clothing which is comfortable and be prepared to get muddy. They will start the course at 10:30am alongside their teachers. Instructors are on the course at various points to give guidance and safety advice. A full briefing takes place before they commence the course.

They will have a picnic style lunch and so will need to bring a packed lunch with them for the day. In addition, they will require a complete change of clothing. Hot outdoor washdowns and changing rooms are available for the learners after they finish the course. We will depart for school at 2pm to return in time for the end of the school day.

We have been able to secure a grant from the Jack Petchey Foundation to cover the majority of the transport costs which considerably reduces the cost of this trip to £24.00. Could you please make payment on ParentPay by Friday 9th February so that we can confirm final attendee numbers with Nuclear Wild.

In addition, Nuclear Wild Forest requires families to sign a disclaimer. I have attached a copy of the document for you to read. When making payment, could you please confirm your acceptance of the disclaimer by checking the box provided.

The School is covered by Zurich Insurance for all trips and visits. Details can be found through our website. Could I also draw your attention to a document on our website 'Payment for Enrichment Opportunities at Honywood' which is also available to read on our website.

Should you have any questions regarding this trip, please do not hesitate to contact myself for Mrs Frogley, Enrichment Leader, at the school.

Yours faithfully,

pp. Mr D Briggs

Cohort Leader C9
